TEASER

INT. HELIODON HIGH - POOL - DAY

Empty bleachers. Still waters. Silence is broken by ANCIENT CHANTING echoing from somewhere. An UNNATURAL EMERALD GLOW reflects off the bleachers, throwing TWO SILHOUETTES against the walls as they FIGHT. Like a shadow-puppet show of some martial epic.

Chanting, unnatural glow, silhouettes.

Chanting, unnatural glow, silhouettes.

Chanting, unnatural--

Everything is suddenly cut short with a CRY.

The pool waters CHURN. The sound of GURGLING. DROWNING.

A REDHEAD, in cargo shorts, balances with her BAT-LIKE FEET atop the head of a HOODED FIGURE submerged in the blood-stained pool. The Hooded Figure is drowning, STRUGGLING to get out, get away, anything. Nothing; and in a few seconds it won't matter.

[PRE-LAP] A phone ALARM goes off.
